Life Group Discussion Questions  
John 13:18-33  
For the week of November 13, 2022

## Reading the Text:

1. Why does Jesus quote Psalm 41:9 in v.18? What is He trying to get the disciples to understand?
2. Why does John tell us in v. 21 that Jesus was “*troubled in his spirit?*” Clearly, He was not surprised, so why was He troubled?
3. In vv. 31, what does Jesus mean when He says that “*Now*” the Son of Man is glorified? What is happening/has happened that brings Him glory?

## Living It Out:

4. Remembering a time when you were betrayed, what impact did that have on you? Does it have an impact on you still?
5. Having experienced betrayal ourselves, how does that impact our reading of Jesus experiencing and predicting His betrayal? What connections do you make emotionally?
6. How can Jesus’ predictions of His betrayal give us greater confidence in our trials and difficulties?
