# UNSTOPPABLE

WHAT WE LEARN FROM THE CHURCH IN ACTS.

## ***Our Lord Jesus,***

We call upon Your name. You have given us Your Spirit and You have sent us into the world to be Your people.

We believe that all spiritual life and growth begins with You, with the outpouring of Your Spirit.

So we ask, Lord, that Your Holy Spirit would:

- Overflow in our hearts so that Your love would spill out generously to all those around us.
- Embolden us to proclaim You - crucified, risen, and exalted - the only hope of humanity.
- Instill in us that gentle tenacity to use every day, every talent, and opportunity to live and love like You did.
- Let no legalism or prejudice prevent us from sharing Your love, and...
- Prepare us for the opposition that will find us as we follow You and give us grace to persevere.
- Fill us up: every day, to the end of our days, to go everywhere You send us, with joy unstoppable!

*Amen.*
